

KS1 PERMISSIONS

INFORMAL TRIPS

On occasion we like to take the children on a walk of the local area, for a variety of educational purposes. Such visits could include the church, the village and South Hill (the top field). Seeking consent on each occasion is unnecessary and impractical, so please could confirm if you give consent for such visits for the time your child is in KS1. These visits will not include walking by the canal or crossing roads; separate consent will be requested for such visits, as well as visits including coach travel.

Please tick to indicate whether you give consent	YES	NO

PHOTOGRAPHS AND VIDEO

Children have their photographs taken and are filmed using video recorders to provide evidence of their achievements for developmental records and also in relation to school events.

We are, however, required to seek consent when including a photograph of your child in a public forum, such as the school website, the school twitter feed, local newspaper etc. Again, it is impractical to seek consent on each occasion, so we are requesting consent for the time your child is in KS1. Sometimes we also use a professional videographer or our own video equipment to record school Productions, i.e. Christmas Plays, Carol Services, Leavers Plays, Choir Concerts. Please confirm if you give permission or your child to be included.

PTA FACEBOOK PAGE

The PTA Facebook page is a useful tool for keeping families up to date with PTA and school events as well as other fundraising activities. The PTA likes to include photographs of these events on their Facebook page to help promote, advertise and report on them. Please indicate below whether you give consent for your child's photograph to be included in photographs posted on the PTA Facebook page. Please note that names will not be included.

Name of Child

I confirm that I have read the information above and have ticked the relevant boxes giving my consent until my child reaches the end of KS1. I understand that I need to inform school if I wish to make any changes to these permissions.
