

Geography Knowledge Organiser Year 1

Enquiry Question:

Concepts:

I will know (knowledge):

- To be able to name and locate the world's seven continents and five oceans.
- To be able to understand geographical similarities and differences through studying the human and physical geography of a small area of the United Kingdom, and of a small area in a contrasting non-European country

I will be able to (skills):

- Ask and respond to questions using information from different resources.
- Recognise, describe and observe the human and physical features of a place and make simple comparisons.
- Name and locate the four countries which make up the UK.
- Make a simple map using a key with basic symbols.
- Observation of a location- discussing likes and dislikes.
- Questionnaire e.g. what do you like best about our playground.
- Sketches – drawing simple features they observe and adding labels.
- Express their views on attractive and unattractive features of the environment of a locality.
- Use world maps, atlases and globes to identify the continents and oceans studied at this key stage
- Compare the difference in seasonal weather patterns depending on the location of a place.
- Use simple compass directions (North, South, East and West) and locational and directional language [for example, near and far; left and right], to describe the location of features and routes on a map.

Key Vocabulary:

Physical geography, Human geography,

Equator and the North and South Poles, Northern and Southern Hemisphere, seasonal weather patterns

Geographical vocabulary , key physical features, beach, cliff, coast, forest, hill, mountain, sea, ocean, river, soil, valley, vegetation, season and weather , key human features, : city, town, village, factory, farm, house, office, port, harbour and shop
