

Geography Knowledge Organiser Year 4

Enquiry Question: Do we have a choice or has our destiny already been decided for us?

Concepts: Rights, Stewardship, Free Will, Dreams.

I will know (knowledge):

- Describe and understand physical and geography of mountains – see key vocabulary.
- Locate and name and locate countries and cities around the world and identify their human and physical characteristics.
- **Locate main alpine countries of Europe, i.e. France, Switzerland, Austria, Italy**

I will be able to (skills):

- Ask and respond to questions about places and the environment by making comparisons.
- Offer explanations for the location of human and physical features in different localities.
- Locate countries in the world, including capital cities.
- Identify on a globe the position and significance of the equator, norther and southern hemispheres, tropics of Cancer and Capricorn and the Arctic and Antarctic circles.
- Identify features of a place using aerial photographs.
- Recording information through observation, more detailed sketches, questionnaires and surveys to collect information and investigate a place.
- Measure and record data e.g. weather in different parts of the school.
- Describe how people can both improve and damage the environment. **Linking this to tourism, especially within the Alps.**

Key Vocabulary:

Physical geography, Human geography, Scale, Longitude, Latitude, Hemisphere, Tropic of Cancer, Tropic of Capricorn, **Fold mountains, Volcanic mountains, Plateau mountains, Fault block mountains, Dome mountains, Alps, region, currency, temperature.**
